

Good day,

Thank you for checking out our website, and for your interest as a volunteer on the ElderCare Edmonton (ECE) Board of Directors. We are looking for persons passionate about seniors who want to share their knowledge and experience in some capacity to benefit seniors' quality of life. We are a Social/Recreation Day Program which sets us apart from other medical-based programs in the area, and funded by Alberta Health Services for seniors living independently in the community. Our Board maximum is 10 individuals, and we are always open to volunteers joining us on one of our working committees as a way of getting to know the organization.

I refer you to our website links if you haven't already done so for an overview of our organization, programs and By-laws. We usually request a letter of interest identifying personal reasons for applying, a CV of professional skills and experiences, and a completed application form with references that you will find on this website.

Please send the completed forms to me at [volunteer@eldercareedmonton.ca](mailto:volunteer@eldercareedmonton.ca) and the Nominating Committee will contact you to set up an interview to go over any questions you may have, give you details about the organization and our governance board, and discuss the broader skill sets and experience you would bring to the table. The next steps are reference checks, and then an invitation to attend a Board meeting to meet the rest of the Directors and Executive Director. This is followed by a vote re: acceptance as an interim Board Director until the next March AGM. We do ask for a commitment for a term which is 3 years, and require any new Board member to provide a clear Criminal Record Check (there is a non-refundable cost if you are a resident of Edmonton) prior to confirmation on the Board.

Hope this answers most of your questions about our process. We look forward to hearing from you, and if there are any additional questions please feel free to ask.

Best regards,

Donne Wulf, Board Chair, ECE  
Eun Jin Kim, Nominating Committee, ECE
