1. In what room of the house would you find a bassinet: laundry room or bedroom?

**Answer:** Bedroom. A bassinet is a basket-like bed for a newborn baby. Many new parents will keep the bassinet in their bedroom until the baby is a little older.

2. What candy got its name because of its life-preserver ring shape: Bit o' Honey or Life Savers?

**Answer:** Life Savers. Clarence Crane invented the candy in 1912.

3. What does a lumberjack yell to warn people nearby that he is felling a tree: "Four!" or "Timber!"

**Answer:** "Timber!" This expression is used because the logger cut the tree to make lumber, or timber for construction.

4. What instrument did Jack Benny "play" on *The Jack Benny Program*: drums or violin?

**Answer:** Violin. Despite his poor on-air violin performances, Benny was, in fact, a talented violinist.

5. What term do you use when referring to your mother's sister: cousin or aunt?

**Answer:** Aunt. One of the most popular fictional aunts was Aunt Bee from *The Andy Griffith Show*. Aunt Bee is the much-loved aunt of sheriff Andy Taylor.

6. What is the term used when a player's hit allows him to run all of the bases and score for the team: foul ball or home run?

**Answer:** Home run. When there are players on all three bases, and a home run is hit, it is called a grand slam home run.

7. What did Humpty Dumpty sit on: a log or a wall?

**Answer:** A wall. The character became popular in the United States after the pantomime show by the same name began playing on Broadway in 1868.
