FOR IMMEDIATE RELEASE

October 19, 2022

Edmonton, AB – ElderCare Edmonton (ECE) is pleased to announce that Ms. Natalie Joly will become the organization's next Executive Director.

The Board wishes to acknowledge the tremendous support provided by Ms. Krista Mulbery and all staff throughout the organization's challenging journey over the last 18 months and during this recruitment process.

Board Chair Donne Wulf said, *"The Board engaged in an external Executive Director recruitment with the objective to find the best possible individual to help the organization move forward strategically and operationally."*

Ms. Natalie Joly brings to the organization a personal passion working with seniors and the vulnerable sector. She possesses prior leadership experience within the seniors care and seniors housing sector. Natalie is currently a Councilor with the City of St. Albert and past Chair of St. Albert's Community Living Standing Committee, and current Board Chair of Homeland Housing.

"I am passionate about helping to strengthening supports for vulnerable persons like those provided through ECE. I look forward to applying my strengths in stakeholder engagement, community outreach, strategy, planning and advocacy, and work with the amazing quality team at ECE. Working with the Board and staff I see incredible potential and opportunities to help advance the vision of ECE.", said Natalie.

Official start date for the new Executive Director will be Monday, November 7th, 2022.
